Silas Thorne was born in the bustling tech capital of Austin, Texas and was fascinated with the beautiful ballet of data ever since he could remember. His entry into the digital world is marked by his stint at the University of Texas where he sharpened his skills and graduated with a degree in Information Technology. His skills soon attracted the attention of industry heavyweights and he went on to have priceless experiences in data protection and ethical hacking in big tech companies.

But the real vocation of Silas was a little more local, the businesses that are so easily forgotten in the wide world of digital. He is the creator of the consultancy firm, "Synapse Safeguard Solutions", which is focused on reinforcing the digital boundaries of small and mid-sized enterprises in a bid to democratize the digital defense space.

## Your Gaming Hub: Using Your Personal Dashboard

After logging in, you will be presented with your own dashboard – your central command station, so to speak, for [all things Ricky Casino](#). So here is just a brief rundown of what is available:

- **At a Glance:** Your name, surname, and the last 3 digits of your account number so we can quickly find you.
- **Financial Overview:** The amount you can get at the moment and the limit of how much you can withdraw.
- **Bonus Status:** The amount of bonus money which is currently locked or pending.

Under this, there is a large orange **Deposit** button, and five important segments to assist you in controlling your gaming experience:

- **Promo:** Your favorite place to use thrilling bonus codes.
  - **Profile:** This is where you can change your personal information and also carry out the mandatory verification procedure.
  - **Wallet:** The place where you can manage all your deposits and withdrawals safely.
  - **Game History:** Want to know what games you played the last 50? Then check this option to stay up to date with your activity.
  - **Responsible Gambling:** Features that enable you to control the amount you deposit and limit your gaming activities to make it a secure and enjoyable experience.
